BAR SHAMPOO

tropical coconut

for dry hair

with NZ avocado oil

CLEANZE artisan bodycare from New Zealand uses simple, natural ingredients, many of which are sourced locally. We know that you care as much about feeding the outside of your body as the inside.

Ingredients: water, NZ olive oil (Olea europaea), sunflower oil (Helianthus annuus), organic coconut oil (Cocos nucifera), sustainable palm oil (Elaeis guineensis), sodium hydroxide, castor oil (Ricinus communis); essential oils of eucalyptus (Eucalyptus globulus), lemongrass (Cymbopogon flexuosus), myrtle (Myrtus communis), tea tree (NZ) (Melaleuca alternifolia).*

Note - essential oils contain natural compounds, some of which may cause skin sensitivity. Always do a small patch test and consult a medical practitioner if in doubt about using essential plant oils on the skin. The oils used in this product contain citral, geraniol, coumarin, eugenol, citronellol, limonene, linalool.

*No sodium hydroxide is present in the finished product; it is used to saponify the oils.
